

Fit-out package

Fitting out and furnishing your office can be time consuming and costly. 329 Bracknell provides an opportunity to take advantage of a partnership with locally based specialists.

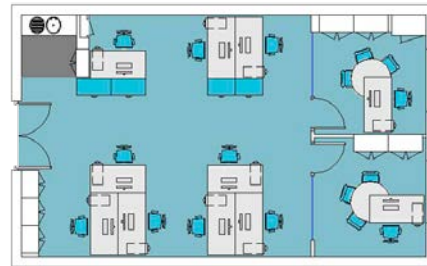

Our consultants can help achieve the layout that works best for your business. Pick from a range of styles from functional to executive and let them do the rest.

You can even go to our simple space planning tool on the 329 Bracknell website and design your own office layout.

The cost of fitting out and furnishing your office suite can be worked out for you. You then decide whether to fit out and furnish the office yourself or take advantage of our fit out package, where the capital cost can be amortised and become part of your rent.

329 Bracknell has been installed with Cat 5E structured cabling, so you can simply plug into the buildings dedicated fibre optic circuit. Why not take a closer look at the IT and telephony package offered.

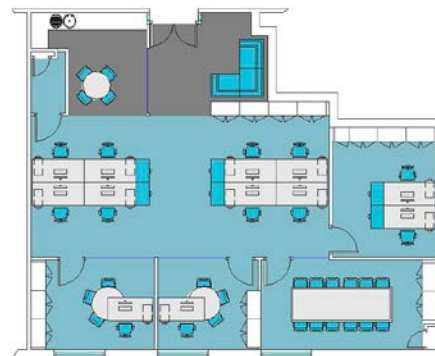

Examples of office fit-outs are illustrated for the various suite sizes available.
